

A detailed parts list for a LEGO set, organized into 28 columns. Each entry consists of a quantity and an illustration of the part. The parts are arranged in rows, with some parts appearing in multiple columns. The items listed include various types of bricks (1x, 2x, 4x, 6x, 8x, 12x), plates (1x, 2x, 4x, 6x, 8x, 12x), Technic pins (black, grey, white), axles (black, grey), and specialized parts like a blue door, a brown window frame, and a yellow character head. Some parts are unique to the set, such as a blue character head and a brown window frame.
